

IMPORTANT: This is a fixed indemnity policy, NOT health insurance

This fixed indemnity policy may pay you a limited dollar amount if you're sick or hospitalized. You're still responsible for paying the cost of your care.

- The payment you get isn't based on the size of your medical bill.
- There might be a limit on how much this policy will pay each year.
- This policy isn't a substitute for comprehensive health insurance.
- Since this policy isn't health insurance, it doesn't have to include most Federal consumer protections that apply to health insurance.

Looking for comprehensive health insurance?

- Visit **HealthCare.gov** or call **1-800-318-2596** (TTY: 1-855-889-4325) to find health coverage options.
- To find out if you can get health insurance through your job, or a family member's job, contact the employer.

Questions about this policy?

- For questions or complaints about this policy, contact your State Department of Insurance. Find their number on the National Association of Insurance Commissioners' website (naic.org) under "Insurance Departments."
- If you have this policy through your job, or a family member's job, contact the employer.

Description of Benefits for:

12545000 - CCRES

Hospital Indemnity Insurance

Inpatient Hospital/Intensive Care Unit First Day

Benefits are paid on the first day of a covered hospital stay (whether that is a regular hospital bed or ICU) of 24 hours or more. The benefit is paid one time per hospital stay, regardless of whether the insured is moved from the regular bed to ICU, or vice versa.

Inpatient Hospital/Intensive Care Unit Day 2+

Benefits are paid beginning the second day of a covered stay. ICU stays are included with the hospital stay benefit. Each facility has a calendar year maximum number of days as selected, 500 days per lifetime unless otherwise noted in the policy. Please refer to your Plan Summary for details.

Survivor Benefit

If an employee dies while insured, any covered dependents will be extended benefits (except Dependent Life, Group Accident, and Critical Illness) without premium payments for up to two years after the employee's death. This is as long as the plan remains in force and the covered dependent meets the coverage requirements in the policy.

Portability/Extension of Coverage

Allows coverage to continue following termination of employment or loss of eligibility. Review the certificate of coverage to understand the full details of this provision.

If there is any conflict between this information and the policy issued, the terms of the policy will prevail.
